

Internet Safety Pledge for Parents or Guardians

- 1. I will get to know what my child uses online (ie IM, chat, social networking, web chat, blogs, etc). If I don't know how to use them, I'll get my child to show me how.
- 2. I will set reasonable rules and guidelines for computer use by my children and will discuss these rules and post them near the computer as a reminder. I'll remember to monitor their compliance with these rules, especially when it comes to the amount of time they spend on the computer.
- 3. I will not overreact if my child tells me about a problem he or she is having on the Internet. Instead, we'll work together to try to solve the problem and prevent it from happening again.
- 4. I promise not to use the Internet as an electronic babysitter.
- 5. I will help make the Internet a family activity and ask my child to help plan family events using the Internet.
- 6. I will try to get to know my child's "online friends" just as I try get to know his or her other friends.
